

# David's Big Mistake

2 Sam 11:1-12:14

Good morning boys and girls and welcome back to Sparks Kids Church for term 3

Lesson 1 of this term is about King David making big mistakes by taking something that was not his and hiding them thinking he won't be found out. But God knew all about them. Here are the instructions:

Step 1: Paste down the coloured clip of David and Bathsheba starting at the top of the page just a little below the hole.

Step 2: Past down your heart nice and firmly on the card paper and then glue **ONLY** the edges down of the contrast pocket of the heart to the big heart.

Step 3: Decide where you would like to locate the **TYPES OF WRONGS /SINS** on the card

STEP 4: Place all the **CLEAN HEART** cut outs in the pocket of the large heart.

Enjoy your learning craft activity and may our Lord Jesus bless you in a very special way

Love and regards, Alexa
