

## King Solomon Praises God Garden of Praise

### ACTIVITY INSTRUCTIONS

Hi Boys and Girls,

I hope you are all well and keeping yourself nice and warm with this cold weather. This week's Bible lesson focused on how King Solomon and his people praised God after the completion of the temple. Please find below the instructions to the activity:

**Step 1:** Start with completing the Garden of Praise by writing down how YOU PRAISE GOD. You can choose from the words below and or add your own.

**Step 2:** Glue down Garden of praise firmly down to the pot with glue and move to the inside of the pot.

**Step 3:** Prepare all your lovely flowers with their stems and leaves. Once you have done this, organise them any way you like in the pot.

**Step 4:** Glue down very firmly your flowers.

**Step 5:** Complete by colouring the additional handout and glue down

**Step 6:** Finish the Garden of praise by tying it up in a love knot.

Enjoy!! Love and regards,

Alexa
