

DAVID IS CROWNED AS KING

Hi Boys and Girls,

I hope you are well! This week Bible lesson focused on David becoming a King of Israel. God kept his promise to David and he had special plan for him. That shepherd boy, who looked after his father's sheep, became a mighty and strong king for 40 years.

Remember: that God also has a special plan for you!

The craft activity for this week is very simple:

1. You have a crown that symbolises David crown
2. Crowns are very elaborate, so use all the beads that I have given you
3. You can also use the rich fabrics to decorate your crown
4. Given that God looks on the inside of our hearts, not on our outward appearance, put that cutting in the centre of your crown
5. Decorate your activity with any glitter you may have at home
6. Don't forget to post and share your activity on What's App so that the Sparks Leaders can enjoy your work.

Very best wishes for a very happy holiday and may our Lord Jesus bless you and keep you well and safe. We look forward to seeing you in term 3.

Enjoy the special treat I have made you!

Love and regards from all the Sparks leaders (Angeline, Ian, Linda, Simon and Alexa)
