

# Friends of God

Acts 13:1–3; 15:1–35

Hi Boys and Girls,

In this week's bible story we learned that God knows what to do and has a plan for each person in His Kingdom (That's a lot of people in the plan!). The most famous of them that was mentioned in Acts 13 and 15, as well as those you learned in the past 3 weeks (with Alexa!): Stephen, Paul and Barnabas – each have a role to play.

**ACTIVITY 1:** On the activity sheet provided (Please download!) – Can you name which of the characters in the puzzle pieces are **Stephen, Paul** and **Barnabas**? Write those names to each of the three characters – and colour them (they look a bit colourless at the moment...)

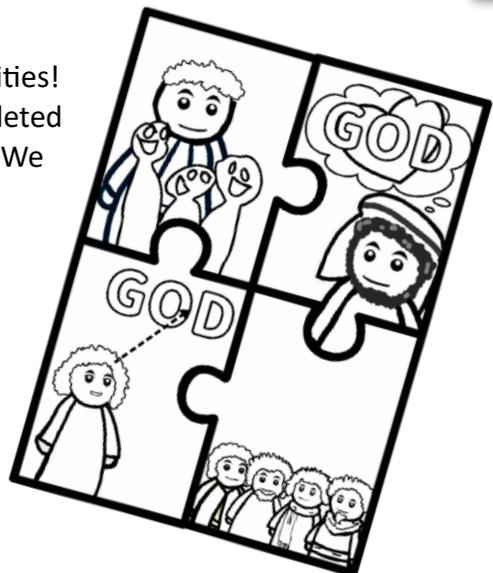

God also have plans for each of us. Our role is to tell people about Jesus, and we do not have to feel lonely doing that, because like Paul and Barnabas, we have friends in the church to help us do the spreading of Good News.

**ACTIVITY 2:** Notice there is a white/spare puzzle piece – draw yourself and a friend (or someone you know!) at church that you think you can spread the Good News with. Make sure you draw a few more people in the puzzle piece so that it shows you are spreading the Good News to other people. Of course add a bit of colour to it, that would be nice!

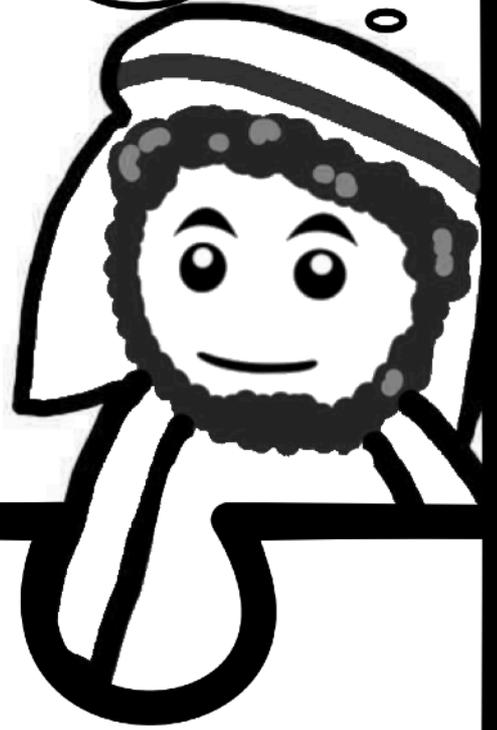

We are very interested to know how you do in these activities! Ask your parents to take a phone photo to send the completed work through WhatsApp, message to Alexa/Angeline/Ian. We will put it in the next episode of the Sparkz youtube,

Have a Good Week! God Bless!

Angeline and Ian
