

Stephen the Helper

Acts 6: 1-7

Hi Boys and Girls,

I hope you are all well and enjoying the warmth of the sun and most of all your kinder/school break!

This week's Bible lesson we focused on the different ways you are a **HELPER** at home. Some of you help with the cooking, while others help with clearing the dish washer, cleaning the shower glass, setting, and wiping the dinner table and even spoiling mum with organising her morning coffee. Well done to you all and Keep up the good work!!

In our Bible story this week, we learnt that Stephen and six other men were chosen to be **helpers** at their church.

Enjoy!! Love and regards,

Alexa

Please find below the instructions to the activity:

Step 1: You have **seven helping men** cut out figures and one of them is Stephen. You can colour them any way you like and maybe include their name.

Step 2: Place yours **seven helpers** on the cardboard I have provided you, using different height levels.

Step 3: Place down the second cut out down (**Seven Helpers Chosen with the names**) on the card paper and decorate around it with anything you like and may have at home.

Step 4: You can hang the activity and try and **learn the name of some of the helpers**. Next week (via text message) I will ask you and those that can remember, there will be a nice surprise for you!
