

# Barnabas

Acts: 4: 36, 37; 9:19b-31; 11: 19-30

Hi Boys and Girls,

I hope you are all well and had a great first week at school this at school this week!

First, I want to thank you so much for your amazing participation in Kids Church. May our Lord Jesus bless you in a very special way!

Last week's Bible lesson we focused on **CHANGE** and the possibility of **CHANGE** when **Jesus comes into our life**. This is what happened to Paul

This week we focused on Barnabas and the wonderful way he supported and **ENCOURAGED** Paul when others did not trust him.

You too can be an encourager to someone- a friend at school, someone that is lonely, through a smile and a nice word.

Enjoy!!

Love and regards,

Alexa

**Please find below the instructions to the activity:**

**Step 1:** Cut carefully around the alphabet letters; you may ask mum and or dad to assist you with the difficult corners.

**Step 2:** Colour and decorate the alphabet letters any way you like. You may need to wait till they dry if you used paint or glitter.

**Step 3.** Decorate Barnabas and Paul.

**Step 4:** Once you have everything, try and fit the word Encourager (that is what Barnabas was) of the paper. Then place Barnabas to the bottom left side of the A3 paper and Paul to the upper middle side of the paper.

**Step 5:** Given that Barnabas and Paul travelled together to spread the "Good News" about Jesus, use the arrow to link Barnabas and Paul together.
