

Good News: The Shepherds

Luke 2: 8-21

Hi Boys and Girls,

I hope you are all well!!

In today's Bible lesson, we learn that God had some very important and special news/announcement to make and share with everyone, but he didn't send it through the mail and he didn't put it on Facebook either.

God, through the Angel, announced the birth of Jesus and he choose some unlikely or lowly people to share this news with. Rather than go to some important and powerful people, the angel appeared to a bunch of shepherds hanging out in a field with their sheep.

INSTRUCTIONS TO ACTIVITY

Step 1: Paint the skyline in blue or dark blue. Once it is dry, you can fill the sky with stars and or beads

Step 2: Decorate the Angel any way creative way you like and leave it to dry

Step 3: Decorate/colour Mary and Joseph any way creative way you like and baby Jesus

Step 4: Decorate/colour the SHEPHERDS and their SHEEP

Step 4: Once you have finished/completed your preparation, paste the the Angel close to the shepherds given he was the one to share the **GOOD NEWS OF JESUS' birth**.

Step 4: Given that this lesson is all about God's love for us, place the love hearts along the left side of the paper and or anywhere that you

Enjoy!! Love and regards,

Alexa
